LOCAL RULES

The following Local Rules, together with any additions or amendments as published by IGA at the golf course, will apply to all Championships and National Matches run by IGA.

1. Out of Bounds (Rule 27-1)

- Beyond any wall, fence or line of white stakes defining the boundary of the course.
- On or beyond any white line defining the boundary of the course. A ball is out of bounds when all of it lies on or over such a line.
- In or beyond any ditch defining the boundary of the course.

Note: Where out of bounds is defined by white stakes or fence posts (excluding angled supports), the out of bounds line is determined by the nearest inside points at ground level of such stakes or posts. A ball is out of bounds when all of it lies over such a line.

2. Water Hazards (including Lateral Water Hazards) (Rule 26)

Water hazards are defined by yellow stakes or yellow lines. Lateral water hazards are defined by red stakes or red lines.

When a water hazard or lateral water hazard is bounded by out of bounds, the hazard margin extends to and coincides with the boundary.

Note: Dropping Zones for Water Hazards:

Where there are dropping zones for water hazards, a ball may be played under Rule 26 or a ball may be dropped in the dropping zone nearest to where the original ball last crossed the margin of the hazard under penalty of one stroke.

For provisions relating to dropping or re-dropping a ball in a dropping zone, see the Note on pages 135-136 in the Rules of Golf.

4. Immovable Obstructions (Rule 24-2)

- (a) White lined areas adjoining any areas defined as immovable obstructions are to be regarded as part of the obstruction and not ground under repair.
- (b) Landscaped garden areas surrounded by an obstruction are part of that obstruction.
- (c) Mats that are secured and plastic cable ramps that are covering cables are immovable obstructions.

5. Integral Parts of the Course

- (a) Any cables or advertising boards closely attached to an object defining the boundary of the course.

2. Groove and Punch Mark Condition

3. List of Conforming Driver Heads

The specimen Condition in the Rules of Golf is in effect – see page 138.

Note: An updated List of Conforming Golf Balls is available on The R&A's website (www.randa.org). This list is also available in the Championship Office.

5. Pace of Play (Note to Rule 6-7)

(a) Time Allowed:

Each hole has been given a maximum completion time based upon the length and difficulty of the hole. The maximum time allotted for the completion of 18 holes will be available prior to play.

Definition of Out of Position:

The first group and any group after a starter's gap will be considered to be “out of position” if, at any time during the round, the group's cumulative time exceeds the time allowed for the number of holes completed. Any following group will be considered “out of position” if it is more than the starting interval behind the group in front and has exceeded the time allowed for the number of holes played.

(b) Procedure When Group is Out of Position:

1. If a decision is taken to time the group, each player in the group will be subject to individual timing by a referee. Each player in the group will be advised that they are “out of position” and are being timed.
2. The maximum time allocated per shot is 40 seconds. 10 extra seconds are allowed for the first player to play:
 - on a par three hole;
 - an approach shot; and
 - a chip or putt
 The timing will start when a player has had sufficient time to reach his ball, it is his turn to play and he is able to play without interference or distraction.
3. Timing ceases when a group is back in position and players will be advised accordingly.

Note: In some circumstances, an individual player, or two players within a group of three, may be timed instead of the entire group.
